HIGH-CONVERTING AD COPY & CREATIVE BRIEF KIT

Plug-and-Play Frameworks for Meta, TikTok, YouTube, and Google Search Ads

SECTION 1: HIGH-CONVERTING AD COPY FRAMEWORKS

Framework 1: The P-A-S Formula (Problem - Agitate - Solve)

Best for: Facebook/Instagram Feed Ads & Cold Audience Targeting

- **Hook (Problem):** "Tired of spending hundreds on ad campaigns that barely break even?"
- **Agitation:** "You test dozens of creatives, burn through your budget, and watch CPMs rise every single week without seeing consistent sales."
- **Solution:** "Our proven Ad Copy & Creative Brief Templates eliminate the guesswork. Plug in your product features, send the brief to your video editor, and launch campaigns built to convert from day one."
- **Call to Action (CTA):** "Click below to grab the entire template kit today for just \$2.99!"

Framework 2: The A-I-D-A Framework (Attention - Interest - Desire - Action)

Best for: TikTok & Instagram Reels / UGC Style Video Scripts

- **Attention (0–3 sec):** "Stop scrolling if you're still writing ad copy from scratch."
- **Interest (3–10 sec):** "Top-performing e-commerce brands don't guess what works—they use structured creative briefs to produce 10+ winning ad variations every single week."
- **Desire (10–20 sec):** "Inside this kit, you get plug-and-play hook formulas, UGC creator briefs, and primary copy templates that turn cold traffic into repeat buyers."
- **Action (20–30 sec):** "Tap the link below to download the PDF instantly."

SECTION 2: UNIVERSAL CREATIVE BRIEF TEMPLATE

Hand this exact brief to video editors, graphic designers, or UGC creators.

- [] 1x Horizontal Video (16:9) for YouTube/Desktop

Visual Elements & Guidelines

- **Hook Style (First 3 Seconds):** Dynamic text movement on screen + energetic visual action.
- **Brand Colors:** Primary: [#HexCode] | Secondary: [#HexCode]
- **Font Overlay Style:** Bold Sans-Serif (e.g., Montserrat or Inter) with high-contrast background box.

SECTION 3: AD TESTING & SCALING PLAYBOOK

Follow this 3-stage framework to scale winning campaigns systematically:

1. **Phase 1: Creative Sandbox Testing**
 - Test 3 distinct hooks with 1 core body copy angle.
 - Run dynamic creative ads (DCA) with a fixed 30–50/day test budget.
2. **Phase 2: Metric Evaluation (72-Hour Mark)**
 - **Hook Rate (3-Sec Video Views / Impressions):** Target > 30%.
 - **Hold Rate (ThruPlays / 3-Sec Views):** Target > 25%.
 - **Outbound CTR:** Target > 1.5%.
3. **Phase 3: Scaling**
 - Move winning ad creative combinations into your primary Scaling CBO (Campaign Budget Optimization) campaign.
 - Increase budget by 20% every 48 hours as long as ROAS remains above target.

BONUS 1: 5 HIGH-CONVERTING HOOK FORMULAS

1. **The Pattern Interrupt:** "This 1 mistake is costing you thousands in wasted ad spend..."
2. **The Direct Question:** "Still struggling to get a 3x+ ROAS on your Facebook ads?"
3. **The 'Us vs. Them':** "Why modern marketers are abandoning traditional ad agencies..."
4. **The Secret / Shortcut:** "The simple creative brief structure top brands use to scale..."

5. **The Social Proof:** "How over 1,000 media buyers automated their campaign briefs..."

BONUS 2: UGC CREATOR BRIEFING SCRIPT

"Hi [Creator Name]! We are excited to work with you on [Brand Name]. Attached is our creative brief. Please film in natural daylight, keep the energy high, and ensure your first line delivers Hook Option #1 within the first 2 seconds. Avoid background music as our editors will mix audio in post-production."
